

Hw 01. Github Profile

The screenshot shows a GitHub profile page for Jhordy Paul Marcillo Mora. The profile is dark-themed. At the top, there's a navigation bar with links to Pull requests, Issues, Codespaces, Marketplace, and Explore. Below the navigation bar, the profile header includes a circular profile picture, the name Jhordy Paul Marcillo Mora, the username JhordyMarcillo, and an Edit profile button. To the right of the profile picture, it says 'Joined last month'. Below the profile picture, there's a section for Popular repositories, which is currently empty with the message 'You don't have any public repositories yet.' To the right of this message is a link to 'Customize your pins'. Below the popular repositories section, there's a section for '26 contributions in the last year'. This section includes a calendar grid showing contributions for each day of the month. The grid shows contributions for May and June. Below the calendar grid, there's a link to 'Learn how we count contributions'. To the right of the calendar grid is a 'Contribution settings' dropdown menu. Below the calendar grid, there's a section for 'Contribution activity'. This section shows a timeline of contributions for June 2023. It shows that the user created 3 commits in 1 repository, specifically in the repository marinosue/ESPE2305-CodeCrafters. Below this, there's a link to 'Show more activity'. At the bottom of the page, there's a footer with the text 'Seeing something unexpected? Take a look at the GitHub profile guide.'
