

6. JOAN OSWALDO COBEÑA ZAMBRANO

The image shows a Java Swing application window titled "JOAN's Contacts". The window contains a form with the following fields and controls:

- ID:
- Favourite Team:
- Full Name:
- Contact Name:
- Phone Number:
- Email:
- Gender:
- Type:
- Born On Date:
- Hobbies:
- Comments:

The form is displayed in a window titled "JOAN's Contacts". The window has a standard Java Swing look and feel. The form fields are arranged in a vertical stack, with labels on the left and input fields on the right. The "Contact Name" field has a dropdown menu with "Myself" selected. The "Type" field has a dropdown menu with "Nothing" selected. The "Hobbies" field has a list box with "Item 1" and "Item 2" items. The "Comments" field is a large text area.
